### Report on 'C' and 'C++' Programming Language Training

Organized by: Ashokrao Mane Group of Institutions, Vathar

Training Conducted by: AptTech

Resource Person: Mr.Chirag Raul

Participants: 70 Third-Year Mechanical Students

Duration: 07/08/2023 to 19/08/2023

### Introduction

The Department of Mechanical Engineering at Ashokrao Mane Group of Institutions, Vathar, successfully organized a training program on 'C' and 'C++' programming languages from 7th August 2023 to 19th August 2023. Conducted in collaboration with AptTech, the training was led by Mr.Chirag Raul, an experienced professional in programming and software development. A total of 70 students from the Third-Year Mechanical department participated enthusiastically, benefiting from the theoretical and practical aspects of the program.

### Objectives

1. To provide students with a strong foundation in 'C' and 'C++' programming.
2. To improve students' problem-solving and algorithmic skills.
3. To familiarize students with object-oriented programming concepts.
4. To prepare students for technical interviews and industry practices.

### Program Details

- **Duration:** 07/08/2023 to 19/08/2023
- **Mode:** Offline
- **Venue:** SR 01 Computer Lab, Ashokrao Mane Group of Institutions

### Session Highlights

1. **Introduction to 'C' Programming:**
  - Overview of procedural programming.
  - Syntax, variables, operators, and control structures.

**Accredited by NAAC**

## Department of Training & Placement Cell

- Functions and modular programming techniques.
2. **Advanced Concepts in 'C':**
  - Arrays, pointers, and memory allocation.
  - File handling and best practices in C programming.
3. **Introduction to 'C++':**
  - Basics of object-oriented programming (OOP).
  - Key concepts: classes, objects, inheritance, and polymorphism.
  - Understanding constructors, destructors, and operator overloading.
4. **Hands-on Coding Practice:**
  - Real-world problem-solving tasks using 'C' and 'C++'.
  - Debugging and optimizing code for better performance.
5. **Career Guidance:**
  - Applications of 'C' and 'C++' in various domains.
  - Tips for cracking technical interviews and coding challenges.

### Outcomes

- The **70 students** who attended the program developed a solid understanding of 'C' and 'C++'.
- The hands-on exercises helped them enhance their programming skills and problem-solving abilities.
- Students were better prepared to handle technical interviews and contribute to software development projects.

### Feedback

The students appreciated the program's structure and the practical focus. They commended the resource person, Mr.Chirag Raul, for his clear explanations and engaging teaching methods. The training was described as highly beneficial for both academic purposes and career preparation.

### Conclusion

The training program on 'C' and 'C++' was a significant success, effectively enhancing the programming skills of 70 TY Mechanical students. It provided a perfect blend of theoretical knowledge and practical application, helping students prepare for future challenges in academics and the software industry. The Department of Mechanical Engineering is grateful to AptTech and Mr.Chirag Raul for their contributions to the program's success.
