EXPERT TALK REPORT ON IMPORTANCE OF GATE EXAM AND PREPARATION

- **Date:** 30th September 2023
- **Venue:** GL-08, Civil Department
- **Expert Speaker:** Mr. Shailesh Desai
- **No of Benefitted Students:** 44 Students
- **Class :** S.Y. , T.Y. & B.Tech

- **INTRODUCTION**

The talk focused on enlightening students about the importance of the Graduate Aptitude Test in Engineering (GATE) Exam and provided valuable insights into effective exam preparation strategies.

- **OBJECTIVE OF THE EXPERT TALK:**

The primary objective of the expert talk was to emphasize the significance of the GATE Exam in the academic and professional journey of engineering students. Additionally, the talk aimed to provide practical guidance on efficient preparation methods to enhance the chances of success.

- **KEY HIGHLIGHTS OF THE EXPERT TALK:**

- **Introduction and Background:** Mr. Shailesh Desai, provided an insightful introduction to the GATE Exam, highlighting its role as a benchmark for assessing the knowledge and competence of engineering graduates.

1. **Importance of GATE in Higher Education:** The speaker emphasized the pivotal role of the GATE Exam in opening doors to prestigious postgraduate programs in engineering and technology, both in India and abroad. The talk underscored the importance of GATE scores in securing admissions to reputed institutions.
2. **Career Opportunities and Advancements:** The expert shed light on the various career opportunities and advancements that become available to individuals with a strong GATE score. This included research opportunities, scholarships, and positions in academia and industry.

DEPARTMENT OF CIVIL ENGINEERING

- 3. Practical Insights into Exam Preparation:** Practical strategies for effective GATE exam preparation were shared, including tips on creating a structured study plan, utilizing relevant study materials, and taking advantage of online resources and mock tests.
- 4. Time Management and Stress Reduction:** The expert provided valuable advice on time management during the exam and discussed stress reduction techniques to help students approach the GATE preparation process with confidence.
- 5. Interactive Q&A Session:** An interactive question-and-answer session allowed attendees to seek clarification on specific aspects of the GATE Exam and preparation strategies. The expert addressed queries ranging from exam pattern and syllabus coverage to recommended study materials.
- 6. Feedback and Responses:** The expert talk received highly positive feedback from attendees, including students, faculty, and other participants. Attendees expressed appreciation for the speaker's in-depth knowledge, clear presentation style, and the practical insights provided for effective GATE exam preparation.
- 7. Next Steps and Recommendations:**
 - Follow-up Workshops:** Organize follow-up workshops or seminars to provide hands-on guidance and practical exercises for GATE exam preparation.
 - Mentorship Programs:** Establish mentorship programs, connecting experienced faculty or successful GATE alumni with students to provide ongoing guidance and support.
 - Resource Hub:** Create a centralized resource hub or information repository for students, containing study materials, practice tests, and relevant information about the GATE Exam.

• **CONCLUSION:**

The expert talk on the importance of the GATE Exam and preparation strategies proved to be an invaluable resource for our students. The insights shared by Mr. Shailesh Desai will undoubtedly contribute to a more informed and confident approach to GATE exam preparation

PERMISSION LETTER

To,
Prof. P. B. Ghewari,
Vice-principal,
AMGOI, Vathar.

Subject: - Request for permission to conduct an expert talk on 'Importance of GATE Exam & Preparation'

Respected Sir,

I am writing to seek your kind permission to organize an expert talk on 'Importance of GATE Exam & Preparation' in the Department of Civil Engineering on Saturday, 30/09/2023 at GL-08.

The objective of this meeting is to discuss the importance for career, opportunities, and higher education. It will also get an opportunity to govt. companies.

Kindly grant us approval for the same. We will ensure all arrangements are made to conduct an expert talk smoothly and in alignment with the institute guidelines.

Looking forward to your positive response.

Thanking you.

Subject: - Invitation as a Resource Person for Expert Talk on 'Importance of GATE Exam & Preparation'

Dear Sir,

Greetings!

We are delighted to invite you as a distinguished resource person to deliver an expert talk on the **Importance of GATE Exam & Preparation**. The session is scheduled to be held on **Saturday, 30th September 2023, at 10:00 AM, in GL-08 Classroom** of our institution.

Your vast knowledge and expertise in this field would greatly benefit our students in understanding the significance of the GATE examination and effective preparation strategies.

We would be honoured to have your presence and guidance at this session. Kindly confirm your availability at your earliest convenience.

Looking forward to your positive response.

Warm regards,

Report on Expert Talk on "Mastering The Art of Interview Techniques"

Introduction

An expert talk on "Mastering Interview Techniques" was organized by the Civil Engineering department, which featured Prof. Satish Hajare as the distinguished speaker. The event saw the participation of 48 enthusiastic students eager to enhance their interview skills.

Key Personnel

1. **Expert:** Prof. Satish Hajare
2. **Program Coordinator:** Prof. G. N. Chavan-Patil, Training Placement Coordinator
3. **Felicitor:** Prof. J. A. Patil, Head of Civil Engineering Department
4. **Introduction:** Prof. J. M. Shinde, Dean of Student Affairs
5. **Vote of Thanks:** Prof. G. N. Chavan-Patil

Welcoming Address: The event commenced with a warm welcome by Prof. J. A. Patil, the Head of the Civil Engineering department, who expressed gratitude to Prof. Satish Hajare for sharing his expertise.

Introduction of the Expert: Prof. J. M. Shinde, Dean of Student Affairs, introduced Prof. Satish Hajare, highlighting his vast experience in the field of interviews and his contributions to the industry.

Expert Talk: Prof. Satish Hajare delivered an insightful and informative talk on mastering interview techniques, offering valuable tips and strategies for students to succeed in the competitive job market.

Interactive Session: The students actively engaged in an interactive session with the expert, asking questions and seeking guidance on various aspects of the interview process.

Recognition: Prof. Satish Hajare was felicitated for his valuable contribution to the event by Prof. J. A. Patil.

Vote of Thanks: Prof. G. N. ChavanPatil extended his gratitude to Prof. Satish Hajare and all participants, emphasizing the importance of such sessions in enhancing the employability of the students.

Conclusion

The Expert Talk on Mastering Interview Techniques featuring Prof. Satish Hajare proved to be a valuable learning experience for the 48 students in attendance. The event was well-organized and succeeded in equipping the students with essential interview skills and insights. Such initiatives are crucial in preparing students for successful careers in the field of Civil Engineering and beyond.

Sub: - Invitation for 'Expert Talk'

Respected Sir,

Season's Greetings from AMGOI, Vathar!!!

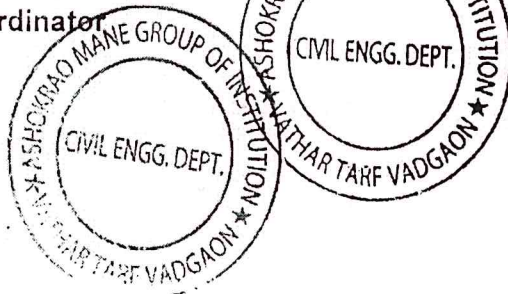

Ashokrao Mane Group of Institutions (Integrated Campus) was started to promote Technical Education and Management studies in Western part of Maharashtra State. The Integrated Campus is situated very close to Kolhapur beside the Poon-Bangalore National Highway (NH 4), near Vathar Turf Vadgaon, Dist. Kolhapur, which is very well connected by all modes of transport. The Integrated Campus is spread over an area of 20 acres in a serene and refreshing atmosphere surrounded by greenery. The Integrated Campus comprises of Faculty of Engineering, Faculty of Management and Polytechnic with highly qualified faculty and state-of-the-art laboratories. Our institute is ISO 2001-2008 certified, accredited by NAAC 'A' grade with CGPA 3.08 and accredited by NBA.

On behalf of our institute, we are very pleased to invite you for delivering information on "Mastering the Art of Interview Techniques" on Monday 23rd October, 2023. at 10.15 am at GL-08 Civil Engineering Department, AMGOI. We look forward to your positive confirmation of our invitation to this 'Expert Talk'.

Thank you.

THANKS LETTER

To,

Prof. Satish Hajare,

AMGOI, Vathar tarf Vadgaon

Subject: - Thank you very much delivering an Expert Talk.

Respected Sir,

We really, appreciate you delivering a Expert Talk on "Mastering the Art of Interview Techniques" to our Civil Engineering students on 23rd October. 2023. We came to know that our Civil Engineering students are benefited with the sharing of thought and knowledge.

So, on behalf of our Institute and Department we sincerely appreciate you and extend our vote of thanks towards you for organizing this type of program.

EXPERT TALK REPORT ON

“ AUTOCAD & IT'S APPLICATIONS IN CIVIL ENGG. ”

- **Date:** 05th February 2024
- **Venue:** GL-08 (Civil Engg. Dept.)
- **Expert Speaker:** Mr. Rohit Katkar & Mr. Riyaz Pendhari
- **Class :** S.Y. & T.Y.
- **No. of Benefitted students:** 58

• INTRODUCTION

An expert talk was conducted on “AutoCAD & Its Applications in Civil Engineering,” highlighting the powerful role that AutoCAD software plays in designing, drafting, and visualizing civil engineering projects. AutoCAD, one of the most widely used Computer-Aided Design (CAD) tools, enables civil engineers to create 2D and 3D designs with precision, enhancing the efficiency of infrastructure development.

• OBJECTIVE OF THE TALK

The main objective was to introduce civil engineering students and professionals to AutoCAD's functionalities and its application areas in civil engineering. The session aimed to demonstrate how AutoCAD can aid in complex infrastructure designs, site planning, and structural detailing, ultimately fostering improved project visualization and collaboration.

• KEY TOPICS COVERED

1. Introduction to AutoCAD

Shri Balasaheb Mane Shikshan Prasarak Mandal's

ASHOKRAO MANE GROUP OF INSTITUTIONS

NH – 4, Vathar Tarf Vadgaon, Tal: -Hatkanangale, Dist: - Kolhapur-416112

E-mail: hodcivil@amgoi.edu.in, Website: www.amgoi.org

Accredited by NAAC (Cycle I & II)

DEPARTMENT OF CIVIL ENGINEERING

understanding core functionalities such as line drawing, layering, dimensioning, and object snap features to create accurate and detailed designs.

2. Applications in Civil Engineering

The expert outlined how AutoCAD is used specifically in civil engineering projects, covering several application areas:

- **Site Planning and Surveying:** Demonstrated how AutoCAD aids in creating topographical maps, site layouts, and site grading plans.
- **Road and Highway Design:** Discussed the tools used for designing horizontal and vertical road alignments and for drafting road sections.
- **Structural Drafting:** Showed how structural layouts, including beams, columns, and slabs, can be efficiently drafted, with emphasis on creating detailed sections and reinforcement drawings.
- **Water Resources Engineering:** Highlighted AutoCAD's use in creating pipeline layouts, drainage systems, and watershed mapping.

3. Advantages of Using AutoCAD in Civil Engineering

The expert shared several advantages of using AutoCAD:

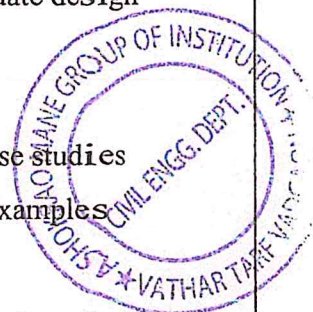

- **Precision and Accuracy:** AutoCAD's tools ensure designs are accurate and aligned with real-world measurements.
- **Efficiency and Productivity:** AutoCAD speeds up the drafting process, allowing for quick adjustments and edits.
- **Collaboration:** The platform enables engineers to share design files, making collaboration easier within teams and across disciplines.

4. 3D Modelling and Visualization

The expert explained the importance of 3D modelling in civil engineering and how AutoCAD's 3D tools allow engineers to create realistic representations of projects. This functionality is critical for stakeholders to visualize the final outcomes, evaluate design options, and identify potential issues before actual construction.

5. Case Studies and Real-World Examples

To emphasize the practical application of AutoCAD, the expert presented case studies of recent civil engineering projects where AutoCAD played a pivotal role. Examples

DEPARTMENT OF CIVIL ENGINEERING

included the design and visualization of a bridge project, the layout for a residential complex, and a drainage system for urban development.

• CONCLUSION AND Q&A SESSION

The talk concluded with a Q&A session, where the audience asked questions related to AutoCAD's specific features, compatibility with other engineering software (such as Revit and Civil 3D), and recommendations for learning and mastering the software. The expert encouraged the participants to practice regularly and recommended online resources and certification programs for skill enhancement.

EXPERT TALK REPORT ON

“ REVIT SOFTWARE & ITS APPLICATION IN CIVIL ENGG.”

- **Date:** 04th April 2024
- **Venue:** GL-08 (Civil Engg. Dept.)
- **Expert Speaker:** Mr. Ajinkya Ingale
- **Class :** S.Y. & T.Y.
- **No. of Benefitted students:** 61

1. INTRODUCTION

An expert talk on *Autodesk Revit Software* was conducted to provide students, professionals, and educators in civil engineering with insights into the software's potential in transforming design and construction practices. The talk focused on Revit's features, capabilities, and its practical applications in the field of civil engineering.

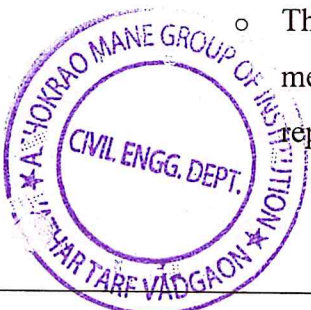

2. ABOUT REVIT SOFTWARE

Revit is a Building Information Modelling (BIM) software developed by Autodesk. It is widely used in the architecture, engineering, and construction (AEC) industries for creating detailed 3D models, drawings, and construction documents. Revit allows multiple professionals to collaborate in real-time, enhancing communication and reducing errors in design.

3. KEY HIGHLIGHTS OF THE TALK

1. Introduction to BIM and Revit

- The speaker introduced Building Information Modelling (BIM) as a methodology that enables stakeholders to work on a shared digital representation of a building's physical and functional characteristics.

Shri Balasaheb Mane Shikshan Prasarak Mandal's

ASHOKRAO MANE GROUP OF INSTITUTIONS

NH – 4, Vathar Tarf Vadgaon, Tal: -Hatkanangale, Dist: - Kolhapur-416112

E-mail: hodcivil@amgoi.edu.in, Website: www.amgoi.org

Accredited by NAAC (Cycle I & II)

DEPARTMENT OF CIVIL ENGINEERING

- Revit, being a leading BIM tool, offers integrated tools for planning, designing, and managing building projects, providing civil engineers with precise control over complex structures.

2. Revit's Features and Capabilities

- **3D Modelling:** Revit's 3D modelling tools allow engineers to visualize structures in three dimensions, providing insights into the spatial relationships between components.
- **Parametric Design:** Revit's parametric components enable engineers to make modifications to designs quickly, with changes automatically reflected throughout the model.
- **Multi-Disciplinary Collaboration:** Revit facilitates collaboration across multiple disciplines (architecture, structural engineering, MEP), helping integrate efforts, prevent design conflicts, and optimize project workflows.
- **Data Analysis:** The software supports data analysis for load calculations, energy use, and cost estimation, critical for sustainable and efficient civil engineering projects.

3. Applications of Revit in Civil Engineering

- **Structural Design and Analysis:** Civil engineers can use Revit to model and analyze structural elements such as beams, columns, and foundations, allowing for simulation of load-bearing capabilities and overall stability.
- **Site Planning and Infrastructure:** Revit enables site grading, earthwork calculations, and analysis of topography, aiding in planning site layouts and preparing for potential challenges in large civil infrastructure projects.
- **Quantity Take-off and Cost Estimation:** Revit automates material quantity calculations and cost estimates, facilitating budgeting and resource allocation with precision.
- **Clash Detection:** With Revit, engineers can detect clashes between various design elements before construction begins, reducing errors, rework, and overall project costs.

Shri Balasaheb Mane Shikshan Prasarak Mandal's

DEPARTMENT OF CIVIL ENGINEERING

- **Documentation and Scheduling:** Revit provides automated generation of construction documents, schedules, and reports, improving productivity and maintaining documentation consistency.

4. PRACTICAL DEMONSTRATION

During the session, the speaker demonstrated Revit's interface and features through a live walkthrough. Key functions such as project setup, model creation, and parameter adjustments were showcased to highlight the user-friendly and dynamic nature of the software. The speaker also emphasized Revit's ability to integrate with other Autodesk tools like AutoCAD and Navisworks for enhanced interoperability.

5. ADVANTAGES OF REVIT IN CIVIL ENGINEERING PROJECTS

- **Increased Accuracy:** Reduces design errors and improves construction precision.
- **Time Efficiency:** Revit accelerates the design process and minimizes time spent on modifications.
- **Cost Savings:** Through automation and clash detection, Revit helps cut down unnecessary expenses.
- **Sustainability:** Revit supports eco-friendly project planning, aiding in the design of structures that minimize environmental impact.

6. CHALLENGES IN IMPLEMENTING REVIT

While Revit offers numerous advantages, the speaker also mentioned a few challenges, including:

- **Learning Curve:** New users might find it challenging to master Revit's features.
- **High Cost of Licensing:** The cost of licensing can be a constraint for small firms or individual practitioners.
- **System Requirements:** Revit's extensive features demand high-performing hardware, which may be an additional expense.

DEPARTMENT OF CIVIL ENGINEERING

7. CONCLUSION

The expert talk on Revit provided invaluable knowledge on how civil engineers can leverage BIM technology to enhance project quality and efficiency. By integrating Revit into their workflows, civil engineers can significantly improve design accuracy, project collaboration, and sustainability in construction.

The session concluded with a Q&A segment, where the speaker answered attendees' questions, further clarifying Revit's applications and addressing industry-specific concerns.

One-Page Report on GATE Preparation Session

Event Title: "How to Prepare for GATE Exam"

Event Date:

16 October 2023

Resource Person : Dr. Jadhav Sir

Prof. Arati Patil Madam

Venue:

Ashokrao Mane Group of Institutions

Participants:

70 Students from the Computer Science and Engineering (CSE) Department

Objectives of the Session:

1. To familiarize students with the Graduate Aptitude Test in Engineering (GATE) structure and syllabus.
2. To provide effective strategies for preparing for the exam while managing time and resources.
3. To motivate students to aim for high scores in GATE for postgraduate admissions and career opportunities.

Outcomes of the Session:

1. Students gained a clear understanding of the GATE exam pattern, marking scheme, and syllabus.
2. Participants learned practical tips for preparing core technical subjects, general aptitude, and engineering mathematics.
3. Students received a one-day schedule as a sample plan to enhance time management.
4. Awareness was raised about resources like online test series, standard textbooks, and previous years' papers.
5. Students were encouraged to develop a personalized preparation plan based on their strengths and weaknesses.

Shri Balasaheb Mane Shikshan Prasarak Mandal's

NH – 4, Vathar Tarf Vadgaon, Tal: -Hatkanangale, Dist: - Kolhapur-416112

Website: www.amgoi.org

Accredited by NAAC

Department of Computer Science and Engineering

One-Day Sample Schedule for GATE Preparation:

This schedule was shared during the session to serve as a guideline for students:

Time	Activity
9:00 AM – 12:00 PM	Study core technical subject (Theory)
1:00 PM – 3:00 PM	Solve technical subject problems
3:30 PM – 5:00 PM	Study engineering mathematics concepts

Feedback and Impact:

Students actively participated in the session, posed relevant questions, and expressed enthusiasm for implementing the strategies discussed. Many students found the practical schedule helpful for structuring their daily preparation routine.

Conclusion:

The session successfully equipped students with actionable strategies for GATE preparation. By adopting the provided schedule and techniques, students can achieve their academic and professional goals.

Report on Internship Program for B.Tech CSE Students

Date: 10th October 2023

Resource Persons: Mr. Ranjit Pasale & Mr. Ranvir Tamboli

Department: Computer Science and Engineering

Participants: B.Tech CSE Students

Objective

- To highlight the significance of internships in career development.
- To familiarize students with industry expectations and required skills.
- To provide guidance on securing and succeeding in internships.

Session Highlights

- **Introduction to Internships:** Importance, process, and role in bridging academics and industry.
- **Skills for Internship Success:** Key technical and soft skills needed for internships.
- **Industry Expectations:** Work ethics, problem-solving, and adaptability.
- **Securing an Internship:** Tips on resumes, interviews, and networking.
- **Best Practices During Internship:** Maximizing learning and effective communication.

Schedule

Time	Session
09:00 AM - 09:30 AM	Registration & Introduction
09:30 AM - 10:30 AM	Importance of Internships & Industry Expectations
10:30 AM - 11:30 AM	Skills for Internship Success
11:30 AM - 12:30 PM	How to Secure an Internship
12:30 PM - 01:30 PM	Lunch Break
01:30 PM - 02:30 PM	Best Practices During Internship
02:30 PM - 03:00 PM	Q&A Session

Conclusion

The session provided valuable insights on internships, preparing students to succeed in their career paths. The department extends gratitude to **Mr. Ranjit Pasale** and **Mr. Ranvir Tamboli** for their expert guidance.

Thank you for attending ^{one} ~~three~~ days offline Training "Intership Program" from 16/10/23 to 16/10/23. We hope that you found the activity interesting and that we met your expectations. We would be very grateful if you could take a moment to complete the Feedback Form. Your comments will assist us in improving future activities that we will organize.

SCALE: 1-STRONGLY AGREE; 2-AGREE; 3-NEUTRAL; 4-DISAGREE; 5-STRONGLY DISAGREE
Please tick the appropriate number for all statements & provide feedback in the comments box

	(1)	(2)	(3)	(4)	(5)
Seminar/Workshop Design					
The objectives of the training were clearly defined	✓				
The content of the training supported the objectives	✓				
The trainer was knowledgeable about the training topics		✓			
The topics were well organized and easy to follow		✓			
How would you rate the focus and structure of the training course?	✓				
Course Material					
Easy to follow and Navigate (e.g. Slides, Handouts etc)	✓				
The course material was appropriate to background and experience of students	✓				
Training Material was useful and easy to understand		✓			
Content Relevance					
This training experience will be useful in the future	✓				
Training will help to clear aptitude of software companies	✓				
Instructional methods used during mentoring were effective					
Facilities					
The trainers created a professional and comfortable learning environment		✓			
The trainers showed confidence in the subject matter		✓			
The trainers handled classroom distractions appropriately	✓				
Appropriate examples were provided during session	✓				
Trainer handled questions that were asked during the session		✓			
Comments					
What topics would you have liked to have spent more time on?	I learn new skills on Industry practical knowledge				
Do you have any suggestions for future Training Sessions that you would like us to organize?	I would like ^{spend} more time on Intership program				
What new skills have you learnt from the event that you think you will be able to put into practice?	I learn on Apti session on Intership program

Report on Full Stack Development Workshop

Date: 16th September 2023

Resource Person: Mr. Amrut Sayankar, Softmusk Info Pvt. Ltd., Belgaum, Karnataka

Participants: 70 Final Year B.Tech CSE Students

The Department of Computer Science and Engineering organized a one-day workshop on "Full Stack Development" for final-year B.Tech CSE students on 16th September 2023. The session was conducted by **Mr. Amrut Sayankar**, an experienced professional from **Softmusk Info Pvt. Ltd., Belgaum, Karnataka**.

Objective:

- To provide students with a comprehensive understanding of full-stack development, including both frontend and backend technologies.
- To bridge the gap between academic learning and real-world industry requirements.
- To enhance students' knowledge of modern web development frameworks, tools, and technologies.
- To provide hands-on experience by building simple full-stack applications integrating both frontend and backend components.
- To offer insights into industry trends, best practices, and preparation strategies for technical interviews.

Time	Session
09:00 AM - 09:30 AM	Registration & Introduction
09:30 AM - 10:30 AM	Introduction to Full Stack Development
10:30 AM - 11:30 AM	Frontend Development (HTML, CSS, JS, ReactJS)
11:30 AM - 12:30 PM	Backend Development (Node.js, MongoDB)
12:30 PM - 01:30 PM	Lunch Break
01:30 PM - 02:30 PM	Hands-on Session: Full-Stack Application
02:30 PM - 03:30 PM	Industry Insights & Best Practices
03:30 PM - 04:00 PM	Q&A Session
04:00 PM - 04:30 PM	Closing Remarks & Feedback

The workshop covered key aspects of full-stack development, including HTML, CSS, JavaScript, ReactJS for frontend, and Node.js and MongoDB for backend. The hands-on session allowed students to apply the concepts and develop a working application.

One-Page Report on Session on Data Science

Event Title:

"Data Science: Foundations and Applications"

Event Date:

28 February 2024

Venue:

Ashokrao Mane Group of Institutions

Speaker:

Dr. B.A. Jadhavar, Renowned Data Scientist

Participants:

70 Students from the Computer Science and Engineering (CSE) Department

Objectives of the Session:

1. To introduce students to the fundamentals of data science and its significance in modern industries.
2. To provide an overview of tools, technologies, and methodologies used in data science.
3. To inspire students to pursue careers in data science and analytics.
4. To demonstrate practical use cases of data science in solving real-world problems.

Outcomes of the Session:

1. Students gained a clear understanding of key concepts in data science, including data preprocessing, analysis, and visualization.
2. Participants were introduced to popular tools like Python, R, and Tableau, along with their applications.
3. Students learned about the data science lifecycle, from data collection to building machine learning models.
4. Insights into career opportunities in data science were provided, including roles such as Data Analyst, Data Scientist, and AI Engineer.
5. Students were motivated to explore further learning and certifications in data science.

Time	Activity
9:30 AM – 10:00 AM	Registration and Introduction
10:00 AM – 11:00 AM	Keynote Address: "Overview of Data Science"
11:15 AM – 12:30 PM	Session 1: Tools and Technologies in Data Science
1:30 PM – 3:00 PM	Session 2: Hands-on Exercise (Data Cleaning and Visualization)
3:15 PM – 4:30 PM	Session 3: Real-World Applications and Career Paths
4:30 PM – 5:00 PM	Q&A and Closing Remarks

Feedback and Impact:

The session received enthusiastic feedback from students, who appreciated the clarity and practical relevance of the topics covered. Dr. Jadhavar's engaging presentation and hands-on approach inspired many to consider data science as a career choice.

Conclusion:

The session successfully demystified data science for the participants, providing them with foundational knowledge and encouraging them to explore advanced learning opportunities in this domain.

Activity Report 2023-24

Alumni Talk on

“Preparation for GATE Exam”

Date and Time of Activity:-Saturday, 16 September 2023 at 2.15pm.

Name of Resource Person:-Er. Mr.Chetan Ambi (Seniour Designer at TATA Technology).

Participants:- 85

Summary:

This preparation program aimed to provide a structured approach to help participants excel in the GATE exam by covering key topics, offering practice sessions, and teaching time management strategies. The program offered both theoretical learning and practical problem-solving techniques, enabling students to develop a deep understanding of core subjects and boost their confidence for the examination.

Objectives:

- To familiarize participants with the exam pattern, marking scheme, and syllabus.
- To focus on key subjects and topics that are frequently tested in the GATE exam.
- To ensure a solid understanding of both technical and general aptitude sections

Outcomes

- Participants gained a comprehensive understanding of the GATE syllabus and were well-prepared to tackle the exam format
- Core engineering concepts were strengthened through in-depth discussions, problem-solving exercises, and practice

Conclusion

This preparation program played a crucial role in helping participants build the right mindset, enhance their skills, and approach the GATE exam with confidence

DEPARTMENT OF ELECTRICAL ENGINEERING

Date: 2/11/2023

“Study Abroad”

Program Date: 2/11/2023

Place: AMGOI, Vathar.

Subject: Report on Guest Lecture by Mr. Abhay Kelkar, MD of Shri Mahalaxmi Academy on "Study Abroad"

Venue: SL 08, Electrical Department

Organized by: Electrical Engineering Student Association (EESA)

The Electrical Engineering Student Association (EESA) successfully hosted an enriching guest lecture on the topic of "Study Abroad" featuring Mr. Abhay Kelkar, Managing Director of Shri Mahalaxmi Academy. The event took place on 2/11/2023 in the SL 08 classroom within the Electrical Department.

Key highlights and topics covered during the lecture:

- 1. Introduction to Study Abroad Opportunities:** Mr. Abhay Kelkar commenced the session by introducing the numerous opportunities available for pursuing higher education abroad. He emphasized the significance of global exposure and its impact on one's academic and professional growth.
- 2. Insights into International Education Systems:** The lecture provided valuable insights into different educational systems across the globe, focusing on the strengths and specialties of various countries and universities.
- 3. Scholarships and Funding Options:** Mr. Kelkar elaborated on available scholarships, financial aids, and funding options accessible to students aspiring to study abroad, making the pursuit of international education more feasible.
- 4. Application Procedures and Requirements:** Detailed information on the application processes, necessary documents, and prerequisites for applying to international universities was discussed, guiding students through the steps to pursue their academic interests abroad.
- 5. Cultural Adaptation and Benefits:** The session highlighted the importance of cultural adaptation and the transformative benefits of experiencing diverse cultures, enhancing not only academic but also personal growth.

DEPARTMENT OF ELECTRICAL ENGINEERING

6. **Q&A Session:** The lecture concluded with an engaging question-and-answer session where students actively participated, seeking clarification on various aspects of studying abroad and receiving valuable advice from Mr. Kelkar.

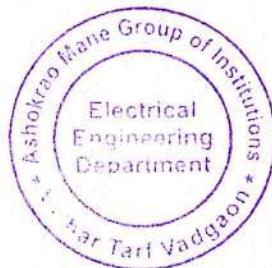

The event proved to be incredibly informative and beneficial for students interested in exploring global education prospects. It provided a comprehensive understanding of the opportunities available, application procedures, and the broader cultural and academic benefits of studying abroad.

EESA extends its sincere gratitude to Mr. Abhay Kelkar for sharing his extensive knowledge and insights. His expertise and guidance will undoubtedly inspire and assist students in pursuing their aspirations for international education.

We also thank all the students who actively participated, contributing to the success of this event.

Report

“Guest Lecture on "Interview Skills and Resume Writing”

Date: 3rd May 2024

Event: Guest Lecture on "Interview Skills and Resume Writing"

Organizers: Department of Electrical Engineering in coordination with Electrical Engineering Student Association (EESA), Ashokrao Mane Group of Institutions

Speaker: Mr. Mohsin Fakir, Soft Skill Trainer, Miraj

Location: SL 08 Classroom, Electrical Engineering Department

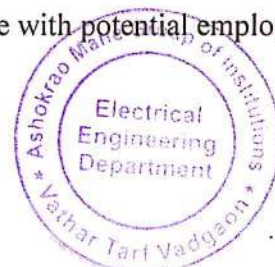

Overview:

On 3rd May 2024, the Department of Electrical Engineering at Ashokrao Mane Group of Institutions, in collaboration with the Electrical Engineering Student Association (EESA), organized a highly informative guest lecture on "Interview Skills and Resume Writing." The event took place in SL 08 Classroom within the Electrical Engineering Department premises. For this event 31 student was present of SY electrical.

Key Highlights:

Mr. Mohsin Fakir, a distinguished Soft Skill Trainer from Miraj, delivered an engaging session aimed at equipping students with essential skills for succeeding in interviews and crafting effective resumes. The lecture covered a wide range of topics including:

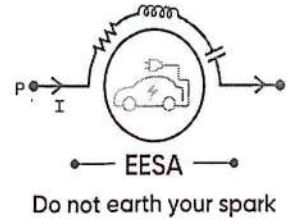

- Techniques for effective resume writing tailored to industry standards.
- Strategies to showcase skills and experiences that resonate with potential employers.

Shri Balasaheb Mane Shikshan Prasarak Mandal, Ambap's
**ASHOKRAO MANE GROUP OF INSTITUTIONS,
VATHAR**

DEPARTMENT OF ELECTRICAL ENGINEERING
Accredited with NAAC "A" (CGPA 3.08), NBA Accredited Programs*

- Insights into the importance of non-verbal communication and body language during interviews.
- Tips for handling common interview questions and scenarios confidently.

Participant Feedback:

The lecture received positive feedback from attendees, who appreciated Mr. Fakir's practical advice and interactive teaching style. Students expressed gratitude for the opportunity to enhance their professional skills and prepare themselves for future career opportunities.

Conclusion:

The guest lecture on "Interview Skills and Resume Writing" was a resounding success, thanks to the collaboration between the Department of Electrical Engineering and EESA. It served as a valuable initiative towards enriching the academic experience of students and preparing them for the challenges of the professional world.

Notice

Subject: Guest Lecture on "Interview Skills and Resume Writing"

Dear Students,

In today's competitive job market, possessing effective interview skills and a well-crafted resume are essential tools for success. This guest lecture aims to equip you with the necessary insights and techniques to excel in interviews and present yourself professionally on paper.

Hence, Electrical Engineering Department, in coordination with the Electrical Engineering Student Association (EESA) of Ashokrao Mane Group of Institutions, is pleased to announce a guest lecture on "Interview Skills and Resume Writing".

Date: 3rd May 2024

Time: 11:30 AM

Location: SL 11, Electrical Engineering Department

Alumni Talk on

“Preparation for GATE Exam”

Date and Time of Activity:- Saturday, 25th September 2023 at 2.15pm.

Name of Resource Person:- Er. Prakash A. Bhagwat (Software Engineer, HCL, Haridwar).

Participants:- 42

Summary:

This preparation program aimed to provide a structured approach to help participants excel in the GATE exam by covering key topics, offering practice sessions, and teaching time management strategies. The program offered both theoretical learning and practical problem-solving techniques, enabling students to develop a deep understanding of core subjects and boost their confidence for the examination.

Objectives:

- To familiarize participants with the exam pattern, marking scheme, and syllabus.
- To focus on key subjects and topics that are frequently tested in the GATE exam.
- To ensure a solid understanding of both technical and general aptitude sections

Outcomes

- Participants gained a comprehensive understanding of the GATE syllabus and were well-prepared to tackle the exam format
- Core engineering concepts were strengthened through in-depth discussions, problem-solving exercises, and practice

Conclusion

This preparation program played a crucial role in helping participants build the right mindset, enhance their skills, and approach the GATE exam with confidence

Report on Alumni Talk

"Preparation for Campus Interviews"

Date: 25/04/2024

Venue: SR-05

Speakers: Ms. Prajakta Wadar and Ms. Vaishnavi Surve

Participants:- 62

Summary:

On 25th April, 2024, the Electronics and Telecommunication Department hosted an insightful alumni talk on "**Preparation for Campus Interviews**" led by alumni, **Ms. Prajakta Wadar** and **Ms. Vaishnavi Surve**. The event aimed at helping final-year students prepare for the competitive campus placement process by sharing real-life experiences, key strategies, and tips for success.

The speakers, both successful professionals in the electronics and telecommunication industry, offered a detailed breakdown of the campus recruitment process and provided valuable guidance on how to ace interviews, group discussions, and aptitude tests.

Objectives

The primary aim of a campus placement program is to bridge the gap between employers seeking skilled talent and students who are ready to enter the workforce. This provides students outline to job opportunities from companies, helping them secure positions that align with their skills, education, and career interests.

Outcomes

- Participants gained the knowledge regarding soft skill and personality development.
- Participants understood the requirements of the companies and how to prepare for Campus

Conclusion

The Alumni Talk on Preparation for Campus Interviews by Ms. Prajakta Wadar and Ms. Vaishnavi Surve was a resounding success. The session provided students with a comprehensive guide on how to prepare for the campus recruitment process, from aptitude tests to interviews. Their real-world experiences and insights were invaluable in helping students feel more prepared and confident as they approach this critical phase of their academic journey.

Webinar on

“BANKING SECTOR–CAREER OPPORTUNITIES”

Summary

A webinar on career opportunities in the banking sector typically covers a variety of key topics to help participants understand the vast range of roles and growth prospects within the industry. Here's a general summary of what such a webinar may include:

1) Objectives of Webinar

- 1) To provide an overview of the banking sector, its various segments, and the evolving trends that are shaping career opportunities.
- 2) To explore new and emerging career opportunities in the banking sector, particularly those arising from Fin-Tech, digital banking, and regulatory changes.
- 3) To Provide insights on certifications, training, and degree programs that can help boost career prospects.
- 4) Address work-life balance and potential career progression within banking organizations.
- 5) Provide an opportunity for participants to ask questions and receive personalized advice about pursuing a career in banking.

2) Contents/Essentials of Corporate Placements

- 1) Brief introduction to the purpose of the webinar
- 2) Significance of the banking sector in the global economy & overview of the various career opportunities available
- 3) Types of banks: Central banks, commercial banks, investment banks, cooperative banks.

3) Outcomes

- 1) Students gained a clear understanding of the diverse roles within the banking sector, from entry-level to executive positions.
- 2) Students became familiar with different types of banking institutions (e.g., retail banks, investment banks, and fin-tech firms) and their respective career opportunities.
- 3) The webinar highlighted the impact of emerging technologies (e.g., AI, block chain, and fin-tech) on the banking industry, creating new career opportunities.

Webinar on “BANKING SECTOR–CAREER OPPORTUNITIES”

Name of the Program	:	Banking Sector Career Opportunities
Date of the Program	:	31 Oct 2023
Time	:	10.30 Am.
Jointly Organized By	:	Ashokrao Mane group of Institutions
Resource Person	:	Mr.Manohar Ghosh & Prakash Nagaonkar
No. of Students Participated	:	37 Students from MBA - II

Ashokrao Mane group of Institutions Faculty of Management Studies organized a Webinar on Banking Sector Career Opportunities. The key speaker for the session was Mr.Manohar Ghosh & Prakash Nagaonkar NIIT Ltd, started the session with the history, evolution and growth of the banking sector in India. Further he highlighted the role of Information Technology in the Indian Banking System. He quoted “The IT revolution has had a great impact on the Indian banking system. The use of computers has led to the introduction of online banking in India. Pre-Liberalization Indian banks were finding it difficult to compete with the international banks in terms of customer service, without the use of information technology.”He also stated that in order to understand the general scenario of banking industry we need to understand the challenges and opportunities lying with the banking industry in India. Since the banking sector has seen an enormous boom in India there are tremendous career opportunities for the youth in banking sector. Banking being one of the most sought after career choices among the students as it is an entry into a well paid, secure and status career. Though it may appear that these jobs are meant for commerce/economics students but the fact is that majority of bank officers are from different streams of education. Further, it is also not a fact that top positions in Foreign/Multinational Banks are held by MBA’s from Premier Management Institutes. Though the Public sector Banks are now appointing management graduates, CAs and CFAs but bright graduates from any subject can get entry in the Public sector Banks through an

Faculty of Management Studies (MBA)

All India Examination conducted by them. The emergence of technology-driven new private banks have broadened the scope and range of banking service and entry of Financial Institutions are into the short-term lending business, is resulting in needs for more professionals. Now banks are in the mutual funds , securitization business credit cards, consumer loans, housing loans, housing loans besides trading in gold and forex activities. Banks are looking for good communication skills, good interpersonal skills, and the ability to deal with customers, an alert nature, and basic knowledge of the industry. However to join foreign or private sector banks at higher than entry level one needs specialization in some specific areas. MBAs recruited by private and foreign banks are given plum packages to the extent of about Rs 25000-30000 a month.

Webinar on “BANKING SECTOR–CAREER OPPORTUNITIES”

Name of the Program	:	Banking Sector Career Opportunities
Date of the Program	:	31 Oct 2023
Time	:	10.30 Am.
Jointly Organized By	:	Ashokrao Mane group of Institutions
Resource Person	:	Mr.Manohar Ghosh & Prakash Nagaonkar
No. of Students Participated	:	37 Students from MBA - II

Ashokrao Mane group of Institutions Faculty of Management Studies organized a Webinar on Banking Sector Career Opportunities. The key speaker for the session was Mr.Manohar Ghosh & Prakash Nagaonkar NIIT Ltd, started the session with the history, evolution and growth of the banking sector in India. Further he highlighted the role of Information Technology in the Indian Banking System. He quoted “The IT revolution has had a great impact on the Indian banking system. The use of computers has led to the introduction of online banking in India. Pre-Liberalization Indian banks were finding it difficult to compete with the international banks in terms of customer service, without the use of information technology.”He also stated that in order to understand the general scenario of banking industry we need to understand the challenges and opportunities lying with the banking industry in India. Since the banking sector has seen an enormous boom in India there are tremendous career opportunities for the youth in banking sector. Banking being one of the most sought after career choices among the students as it is an entry into a well paid, secure and status career. Though it may appear that these jobs are meant for commerce/economics students but the fact is that majority of bank officers are from different streams of education. Further, it is also not a fact that top positions in Foreign/Multinational Banks are held by MBA’s from Premier Management Institutes. Though the Public sector Banks are now appointing management graduates, CAs and CFAs but bright graduates from any subject can get entry in the Public sector Banks through an

All India Examination conducted by them. The emergence of technology-driven new private banks have broadened the scope and range of banking service and entry of Financial Institutions are into the short-term lending business, is resulting in needs for more professionals. Now banks are in the mutual funds , securitization business credit cards, consumer loans, housing loans, housing loans besides trading in gold and forex activities. Banks are looking for good communication skills, good interpersonal skills, and the ability to deal with customers, an alert nature, and basic knowledge of the industry. However to join foreign or private sector banks at higher than entry level one needs specialization in some specific areas. MBAs recruited by private and foreign banks are given plum packages to the extent of about Rs 25000-30000 a month.

Activity Report 2023-24

“Expert talk on GATE Exam & Preparation”

Date and Time of Activity:-Saturday, 25thSeptember2023 at 2.15pm.

Name of Resource Person:-Er. Prakash A. Bhagwat (Software Engineer, HCL, Haridwar).

Participants:- 70

Summary:

This preparation program aimed to provide a structured approach to help participants excel in the GATE exam by covering key topics, offering practice sessions, and teaching time management strategies. The program offered both theoretical learning and practical problem-solving techniques, enabling students to develop a deep understanding of core subjects and boost their confidence for the examination.

Objectives:

- To familiarize participants with the exam pattern, marking scheme, and syllabus.
- To focus on key subjects and topics that are frequently tested in the GATE exam.
- To ensure a solid understanding of both technical and general aptitude sections

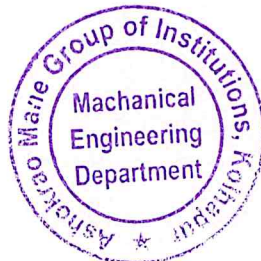

Outcomes

- Participants gained a comprehensive understanding of the GATE syllabus and were well-prepared to tackle the exam format
- Core engineering concepts were strengthened through in-depth discussions, problem-solving exercises, and practice

Conclusion

This preparation program played a crucial role in helping participants build the right mindset, enhance their skills, and approach the GATE exam with confidence

The topics were well organized and easy to follow	✓				
How would you rate the focus and structure of the training course?	✓				
Course Materials					
Easy to follow and Navigate (e.g. Slides, Handouts etc)	✓				
The course material was appropriate to background and experience of students	✓				
Training Material was useful and easy to understand	✓				
Trainer Knowledge					
This training experience will be useful in the future		✓			
Training will help to clear aptitude of software companies	✓				
Instructional methods used during mentoring were effective	✓				
Trainers					
The trainers created a professional and comfortable learning environment		✓			
The trainers showed confidence in the subject matter	✓				
The trainers handled classroom distractions appropriately	✓				
Appropriate examples were provided during session	✓				
Trainer handled questions that were asked during the session	✓				

What topics would you have liked to have spent more time on?

Do you have any suggestions for future Training Sessions that you would like us to organize?

What new skills have you learnt from the event that you think you will be able to put into practice?

Any Other Suggestions:

Trainer's Evaluation	Average	Good	Very Good	Excellent
