The talk commenced with a brief description of the event and the Speaker, by Mr.Nimit Malhotra with their speech. On account of “Essentials of Corporate Placements”, the resource person discussed different types of companies, and recent technologies and also told about required skills that students require competing in the emerging technological world. He motivated the students to share their skills. The talk was very interesting and allowed the students to discuss their views and queries, including doubts regarding the startups and placements. Participants asked several questions regarding placements, such as the strategy for getting placed at a good company, growth rate, etc.

Mr.Nimit Malhotra resolved all the queries of the participants and motivated them to study well, and improve their soft skills. The basic idea of the event was to enhance the knowledge about placements and all the participants.
