Notice

All students are hereby informed that 21st June 2023 is the International Yoga Day, on the occasion of this yoga day, we have organized “Yoga and Pranayam Program” at 11.15 am. at First Year Engineering Department corridor of AMGOI.

Important Note for tomorrow's program -

1. Everyone should bring a small mat to seat on for yoga activity.
2. All are to wear formal clothes.
3. Attendance of all students will be recorded

However, everyone has to attend on time to complete the yoga day successfully.

INTERNATIONAL YOGA DAY 2023

Today, on 21st June 2023, Ashokrao Mane Group of Institutions celebrated 9th International Yoga Day. It was attended by Dean, Staff members and Students with great enthusiasm. Warm up exercises were taken and all the students practiced & performed sitting and standing aasanas, importance of these were explained simultaneously. Whole session was conducted with yoga information by Mr. Jagdish Kudalkar and Mr. Nerlekar from Art of Living, Peth Vadgaon.

The yoga day celebration started with the speech of our Dean academics Prof. P. B. Ghewari sir. He encouraged students to practice regular yoga to remain fit and improve concentration.

International Yoga Day celebrations ended with a huge success under the supervision of the Yoga Club Incharge Mr. Swagat Gavali. Prof. R. A. Pasale, Prof. M.A. Sutar, Prof. Ms. V. D. Desai, Prof. R. S. Pukale, and Dr. Sachin Potdar were present at the time of lightening of lamp ceremony.

The function ended with a vote of thanks by Prof. J. M. Shinde, Dean, Students affairs.

Special thanks to Dr. H. T. Jadhav, Director of AMGOI for permission and guidance. Mr. Snehankit Shinde, Mr. Hemant Khadake, Miss. Sakshi Sase students representative takes a efforts for conduction of Yoga Day Activity.

One Page Report on Add On Course: ARDUINO

The Arduino course, held from 6th September 2022 to 18th November 2022, provided a comprehensive and hands-on learning experience for participants. The course aimed to introduce individuals to the world of Arduino, empowering them to create, innovate, and develop practical applications using this versatile microcontroller platform.

Course Overview: The course was structured into 5 modules, each covering essential aspects of Arduino programming and hardware integration. Participants started with the basics, including an introduction to the Arduino board, understanding the Arduino Integrated Development Environment (IDE), and writing their first simple programs.

In conclusion, the Arduino course provided a valuable educational experience, equipping participants with the skills and knowledge needed to embark on Arduino-based projects independently. The combination of theoretical understanding, hands-on practice, and project development made this course an enriching journey into the world of Arduino. As technology continues to advance, the skills acquired in this course position participants at the forefront of innovation and practical problem-solving.

Subject: Request for Permission to Conduct ADD-ON Course on ARDUINO

I hope this letter finds you in good health and high spirits. I am writing to formally request your permission to conduct an add-on course. This course aims to provide additional learning opportunities for interested students and aligns with the educational objectives of our department.

Course Details:

Course Name:	Proposed Duration	Preferred Timings
Arduino	36 Hrs	2 Hrs per week

I have attached a detailed course outline and assessment methods for your review. Additionally, I have taken into consideration the availability of resources and classrooms to ensure a smooth and effective implementation of the course.

I kindly request your approval for this initiative, and I am open to any feedback or suggestions you may have. Thank you for considering my request.

Sincerely

NOTICE

All the students of Electrical Engineering Department are hereby informed that, we are pleased to announce the upcoming offering of an add-on course on ARDUINO. This additional course is designed to provide participants with valuable insights and skills in ARDUINO to complement their academic and professional development.

Course Details:

- Course Name: Arduino
- Duration: 36 Hrs
- Timings: 2 Hrs per week
- Location: Computer Lab

We encourage all interested students, to take advantage of this opportunity to enhance the knowledge. For further inquiries or to register for the course, please contact Prof. D. D. Ved.

C, C ++ Language Training Report (Preparation for IT Company)

Training Overview

Resource Person: Yogesh Patil

Training Duration: 28/9/2022 - 15/10/2022

Number of Participants: 35

Target Audience: TY B.Tech Mechanical Students

Objectives:-

1. Introduction to C++ Programming: Equip participants with a solid foundation in C++ programming language.
2. Application in Mechanical Engineering: Demonstrate the relevance and application of programming in the field of Mechanical Engineering.

Training Content

C, C ++ Programming

- Basics and Syntax
- Introduction to C++ syntax, variables, and basic programming concepts.
- Hands-on coding exercises to reinforce learning.
- Object-Oriented Programming (OOP)
- Covering templates, exceptions, and advanced language features.
- Application of C++ features in solving engineering problems.
- Coding exercises to reinforce concepts.
- Practical examples related to Mechanical Engineering problems.
- Integration of programming skills in Mechanical Engineering projects.
